PROFILE SUMMARY

I'm a fourth-year IT engineering student and Full Stack Web Developer with skills in HTML, CSS, JavaScript, ReactJS, NextJS, and Node.js. I've worked on projects like a College placement portal and an online quiz website, and I've interned at Alhansat Solutions as a Full Stack Web Developer. I've also participated in hackathons like Winjit Webathon and Winjit Fintank Hackathon. I'm good at both front-end and back-end development, managing projects, and creating user-friendly web applications.
